Lookbook SS23

THE BRAND

All of our pieces are hand crafted in Bali by female artisans with passion for their work. Our distinctive designs combine artisanal techniques with modern design.

Each bracelet is crafted from high quality leather and complemented with plated gold, 925 Sterling silver and semi-precious gems in a variety of colours. The beads we use are of the highest quality Miyuki beads.

IBU Jewels stands for free-spirited, modern, refined urban tastes. This collection of unique and elegant bracelets is specially designed for the stylish woman with an eye for perfection.

Each piece of jewelry by Ibu Jewels is high-quality and unique, radiating understated elegance.

We are very proud and lucky that in our own workshop, we only work with talented local female artisans who have made weaving into an art form. Because of our close partnership and our dedication to craftsmanship, we ensure the highest quality in our products.
